

Badger's Den Oct 10, 2009

Vol. 3.1

What we did this week:

- This week was a work week. T-Shirt designs were due.
- Last speaker was on Monday.

What are we doing next week?

- Monday is work day
- Thursday we'll ask all the teams present to run their robot in front of the whole crew present – a minor scrimmage. Just so everyone can see the possibilities

Deadlines:

Coaches please complete all your paperwork. Shirts are ordered

Tips

1. Do you have a simple system for naming and saving files? Can everyone explain it?
2. Does your robot use the field to guide itself?
3. What do you want to have for Nov 7? What do you (kids) want/need to have completed by the end of this meeting?

Critical Needs

We need volunteers for the tournament! Each team please provide 3 volunteers: inlaws, outlaws, co-workers, friends, whatever. No experience necessary. High school and up.

It's the price we pay to have the tournament in our backyard.
