

# Student Scholarship Application & Teacher Recommendation

BadgerBOTS Robotics Corporation believes that every student should have the opportunity to explore their interests and discover their talents as they relate to Science, Technology, Engineering and Math (STEM). Our organization proudly offers financial scholarships ranging from minor reductions to full scholarships. Recipients are selected based on financial need and must demonstrate an interest in STEM learning. Applicants requesting scholarships greater than 25% may be required to meet with members of BadgerBOTS Robotics in order to be considered for the scholarship. Teacher recommendation may be either attached to this form or mailed directly to the Program Director. Please complete information below and return to Program Director.

## PARENT QUESTIONS

Is your child currently eligible to receive free or reduced lunch at school? If you answered no, please briefly describe the financial circumstance(s) that support your request for a reduced program scholarship.

Free  Reduced  No, we do not qualify for F/R lunch

Please indicate the dollar amount of the fee waiver that is being requested and that would make it possible for your child to participate in our experience.

Amount of Fee Waiver Requested  
\$

## STUDENT QUESTION

Parent/Guardian: Read the question below to your child. Either write or have them write their response below. Attach separate form if they need more room. **Describe why you are interested in participating in a BadgerBOTS Robotics program and what you find most interesting about science, technology, engineering, math...or robots in general.**

I certify that the information provided above is accurate to the best of my knowledge. I acknowledge that the awarding of a financial scholarship is solely at the discretion of BadgerBOTS Robotics.
